

WANTED!

CRAFTY PEOPLE

The Great Alpine Gallery in Swifts Creek is once again producing the Great Alpine Arts Trail, on **5 and 6 May 2018**, thanks to a grant from the East Gippsland Shire Council. And we want more local artists, crafts people and artisans than ever to take part.

GAAT18 will feature galleries, markets, open studios, displays, workshops, pop up shops, stalls as well as other events, in Ensay, Swifts Creek, Omeo and Benambra, and promote local arts and crafts, as well as local produce, brewing, and wine.

If you are an artist, sewer, painter, drawer, etcher, lino cutter, photographer, sculptor, potter, knitter, quilter, crotchetier, felter, leather maker, instrument maker, musician, weaver, spinner, saddler, whip maker, ferret trap maker, shoe maker, toy maker, or anything else creative, (or know people who are) living in the area and would consider being part of the arts trail, please contact us at the email below, or at the Great Alpine Gallery in Swifts Creek (Wednesday to Sunday). Please don't be shy, we know there's lots of creative talent out there – we want to show it off. Talk to us.
